December 20, 1969

FROM: Henry A. Kissinger

TO: Ambassador Bunker

Miguel 12/22

The President is concerned with press reports that American civilian advisors in Vietnam are undermining our effort there by claiming that there have been many My Lai type incidents in Vietnam but they have not been uncovered. He would appreciate your taking whatever discreet steps you believe appropriate to get U. S. advisors to avoid such speculation.

The President would like a report on what ~~action~~ action was taken.
